COMFORT - LIVING - PLEASURE

# BRERA

Fashion Café is located in Via San Marco, a short distance from the historically famed Brera Beautiful Arts Academy, in a building designed by Vico Magistretti in the 1950s which is surrounded by a host of exhibition galleries, art workshops, and some of the most prestigious design showrooms internationally.

Large windows are at the feet of the rationalist building, with a short arcade of shops connecting Via Solferino. The building faces the parvis of the San Marco Cathedral, which dates back to the 13th century, in the heart of the San Marco district of Brera made up of Via Plaermo, Via Statuto, Via Pontaccio and Via Solferino, the continuation of Via Brera.

As a leading nightlife hangout during the '80s, today, like then, it is frequented by an international and sophisticated clientele with an uncompromising attitude to lifestyle comforts.

If one fixes an appointment in the heart of the art district, checking in at Fashion Café today still gifts the emotions lived in "Milano da bere", the internationally celebrated golden drinking years of Milan.

IN THE HEART OF THE BRERA DISTRICT,  
FASHION CAFÉ IS AN EXCLUSIVE  
AND SOPHISTICATED LOCATION IN  
DOWNTOWN MILAN.

# MILANESE EASY CHIC EXPERIENCE

Fashion Café is a cocktail lounge and restaurant with an established reputation in Milan's high-end hospitality scene. Conceived by owners Guido Cancellieri and Stefano Graziani as an easy yet chic setting, with an international vibe based on Milanese roots. Ideal for a quick lunch, dinner with friends or a candle-lit appointment, a cocktail or an evening of fantastic tunes. A trusted haunt for those local cosmopolitans and international jet-setters seeking an alternative to the now standardized mainstream, "be-seen-in", label-frenzied establishments, now typically associated with fashion capitals, and identify that genuine place filled with other like-minded movers.

With a dedication to quality in every area from the selection of furnishings to the restaurant menu, cocktail and champagne lists. Open daily from the morning to the early hours of the night, it excellently represents the extraordinary mix of factors at the base of Milanese living: refined taste, lifestyle, design, fashion, energy, cosmopolitanism, and curiosity.
